Erratum: Developing a Cryptocurrency Assessment Framework: Function over Form

Ledger Editors, Andrew Burnie,^{*†} James Burnie,[‡] Andrew Henderson[§]

Erratum. The original article, “Developing a Cryptocurrency Assessment Framework: Function over Form,” DOI 10.5915/LEDGER.2018.121 was published with an institutionally-controlled BTC address which could not be used for digitally signing the final document. The address has been replaced and now appears at the bottom of both the new document and this erratum notice. Digital signatures for both will be published alongside these.
